

25-11-41.

Many thanks for the letter. I am writing again today to give my explanation. I looked up my diary to fresh my thoughts in order & I was able to find out the whole plot. The Representative is either 100% with the gang to give a letter dictated to, or it is fabricated. A letter paper & cover with cork seal is not difficult to obtain! In any case, the contents are absolutely untrue. Baber, George & myself came to the same conclusion separately. Now I will give you all ~~the~~ dates & facts. Make your own conclusion.

July 2nd Petition went up.
By August end Powers knew about it & ^{the story} Newman group etc & apology & release ~~while~~
~~and~~ we heard from Shampy that Baber heard from Kuefijis about calling up of papers.

Sep 11th Newman's release.

Sep 20th 22nd Baby with Keejiv. Keejiv-
jus assurance to Baby etc. Baby found Keejiv
Thumpy away. arrived on ^{know all facts.}

Oct 2nd Mah George 3rd & told him
what Keejiv & Baby said adding in
the end "ah last we are on the right path
& let us pray for a just outcome."

(Oct 3rd George Mah Baby informed about
our fears & had a talk when he repeated
about his ~~whole~~ stay with Keejiv etc
& he wrote immediately again about
our fears.)

on Oct 2nd at 5:30. Zeph called 'A' &
informed him about "the rejection" "with
reference to petition presented by 'A' the
C. representative has perused all papers
& finds no reason to dispute - - -"

on Oct 2nd Powers gave this to papers even ^{inches long} ^{with} ⁱⁿ ^{the} ^{middle} ^{of} ^{the} ^{paper} ^{itself}

X 27th Sep - 29th Powers come to R 3
times a day obviously ^{over a query} ^{the} ^{is} ^{being} ^{to} ^{have} ^{some} ^{from} ^{Keejiv}

you see during that time they must
have consulted together & scrub up all
they could think of including Keenan's
apologies etc. (Then Keejiv must
have given the whole thing to J. Leph)
Meanwhile Hitler over here started
the war of nerves!

By Oct last week J. Leph came to a
